13 inch	\$210	42-47	84-94	13 inch	\$235	52-59	104-118
14 inch	\$235	48-55	96-110	14 inch	\$260	61-70	122-140

This is a standard pricing guide that includes basic design work on your chosen cake. It is important to remember that each cake is a unique piece, designed to your own requirements. As such, each cake will need varying inputs from our cake artists and the price will vary accordingly.

Any 3D cakes need to be quoted directly from our kitchen as the sculpting process, structural work and artist input will vary greatly due to a larger original cake being required to carve your chosen design from.

### Additional Pieces

Iced and ribboned board	\$20
Miniature figurine s (2-4 inches tall)	\$30
Standing/people figure (5-6 inches tall)	\$35
Larger sugar craft sculptures	\$40+
